

Armageddon

Part II

By Ciarán Handley

14th September 2018

Armageddon

Chapter 1

It's the end of the world

Unless people get off their fucking arses and do something about it. Governments could start by contacting me and asking what they can do to help, rather than trying to fucking kill me. We are in this mess because of them.

It's The End of The World

Armageddon

End of Part II
