## Chapter 1

### *How did I become Daniel Jackson?*

My life had to be destroyed for me to become Daniel Jackson.

### *Daniel Jackson – Hurt*

My work on the new scripts for the Irish language is part of developing a writing system that the Borg cannot assimilate. My way of writing and the use I make of metaphor, symbolism and analogy, this too is to do with developing our spoken and written communication to make it more difficult for the Borg to assimilate.

Language is a huge weapon in our war against the Borg.

Expect language to be coming up in a big way as the documents unfold.
