Know When to Walk Away Chapter 1

*Golden Age failed because of lack of men.
It failed because of lack of manhood.*

It failed because of corruption. Abuse of power. Dishonour. Theft. Smallness of mind. Disconnect. Lack of Knighthood. Lack of Values. Lack of Honour. Lack of Vision.

Trying to launch Golden Age now is like trying to sow seeds on toxic land. Know when to walk away. I work now on trying to set up conditions so that the next attempt succeeds. Raise Honour. Knighthood. Values. So that the next seeds may take hold. In the meantime, know when to walk away.
