On Being a Woman to Women Chapter 1

Goodbye in Austria

*“Gráinne, what would you say to those who say that a man being woman **to women** is the same as a man who wants to be woman to men?”*

“There are many men who want to be women, Aoife. But it is not the same when it is with a woman.”

Goodbye in Austria

“This is not the same as with a man.”

I like the Austrian way better
