Chapter 3

It's about coming back from something devastating

For a time I lost the use of my legs. I had to learn to walk again.

In a separate injury in early 2018 I lost much of the use of my right arm. And in another injury in 2014 I lost much of the hearing in my left ear.

I have been injured in the female as Gráinne. And I have been injured in the male as Ciarán. It's about coming back from something devastating.

In the male I am Steve.

My Name is Jamie

Chapter 1

My life was destroyed

I need to rebuild my life.

My body was destroyed.

I need to rebuild my body.

It's about coming back from something devastating

Stronger than ever.

I have different female names for different cultures

It is to do with how the energy changes from one people to the next. This affects my own energy in the female. So to the French I am Marie Lors. To the Germans I am Heidi. To the Italians Bella. To the Australians Síle.

While of course Gráinne in the Irish.

*My American name is Jamie.
Jamie Alison Sommers.*

I am Jamie in the female and Steve in the male. Both. It's a Duality thing.

But overall I am more Jamie.

That's a woman thing.
