# Stayin' Alive

## Chapter 1

*I have been killed in action more than eighty times*

More than eighty times I have crossed the gates of Elysium and returned.

I'm not quite sure why it is that I keep coming back. I just believe it, that's all. I believe it so much that I create that reality.

I just don't believe that anyone can kill me. Or if they do I'll come back anyway.

It might sound a strange belief. But I do believe it anyway.

I believe it so much that it keeps coming true. It's something that is possible in Ascension.

Strange I know. But true.
