X-Girls and the Resistance

Chapter 1

*There are a number of people in the Resistance who fight
the Borg*

This Resistance was set up in 2013.

Every single one of the men in the Resistance who is in relationship spreads his legs for a woman or for women

Of the other men in the Resistance who are not in relationship, every one of them has a preference to spread his legs for women rather than to have women spread their legs for him. None of them could be with a man.

It's to do with the Tao

It's a Jedi thing.
