## Chapter 1

*Half the men in the Resistance are X-Girls*

They have made a choice to follow a path of womanhood *in Duality*.

*The other half of the men follow a path of manhood*

But all of the men, whether following a path of womanhood or manhood, all of them have made a choice to spread their legs for women. None of them could be with men.

It's to do with the Tao

It's a Jedi thing.
